

Greenwood/Drakes Creek Track and Field 2024

Greenwood/Drakes Creek track and field has had a long tradition of being a successful program. We are hosting four track and field meets for area high school and middle school programs this season. Our team is raising money to offset meet expenses and purchase track and field equipment. We would love to have your company or business be a part of our program!

Thank you for your support and help.

Greenwood/Drakes Creek Track & Field Booster Club
